

Infant Massage Certification Program

Serving Southern California, New York City, Connecticut and surrounding areas

Your school may be a great fit for our program. Infant Massage helps babies thrive, the list of benefits to both the infant and the parents is astounding. Our training program is....

Perfect for Students

- No prerequisites to enroll
- Affordable tuition - \$350 (almost 50% less than comparable programs)
- Students are able to teach new parents therapeutic, healing touch

Great for Schools

- Enhance your curriculum with an exceptional workshop for students
- Increase revenue - School receives 20% of each tuition
- Offer students the opportunity to become skilled in a rewarding specialty

Details about Training

- 6 hour workshop
- \$350 tuition per student
- Minimum 8 students per workshop (within Southern California)
- After 15 students are enrolled, your school may offer 2 scholarships (full tuitions)
- Each student receives *Trained in Infant Massage* certificate at end of workshop
- Students earn *Certified Infant Massage Instructor* title once IMC receives their documentation from 5 sessions

Please let me know if I can answer any questions.

Sincerely,

A handwritten signature in black ink that reads "Becca Starr".
